

Bukas Loob sa Diyos Covenant Community
DCS MEETING MINUTES
Wednesday, December 14, 2016
Divine Mercy Parish, Rahway, New Jersey

Week#4 December 18 (4th Sunday of Advent)

Theme: We rejoice in the coming of Christ as we obey and trust in God's will.

Promise: "He shall receive a blessing from the Lord, a reward from God, His Savior." (Ps 24:5)

Order: "Fulfill what the Lord had said through the prophet: Behold, the virgin shall conceive and bear a son, and they shall name him Emmanuel." (Mt 1:22-23)

Directions: Receive the grace of apostleship.

Prophecies:

- Be prepared for more trials this coming year, but trust me that I will be the one to guide you, to show you the way. Show love, unconditional love, that my son, Jesus, showed to all those, who will go against you.
- I sought you from the foundation of the world, in the firmament of the heavens. I will find you and come to you where you are that you may be with me for all eternity.
- Your faith in me comes with my blessed assurance that I am with you as you proclaim the truth about my glory.

MEETING PROPER:

- 1. August 19, 2017: This is the date that has been set for celebrating the 25th anniversary of BLD Newark . We ask the community to save this date and participate in the planned festivities. Ollie and Annie Felibrico will coordinate the organizing committee for the special occasion.**
- 2. There is the ongoing problem of vehicles parked in emergency or no parking spots in the Divine Mercy parking lot. This especially occurs when the assigned marshals have left for worship at 8:30 p.m. The community is asked to please observe parking regulations for everyone's safety.**
- 3. In order to maintain a respectable level of cleanliness in the venue, everyone is asked to arrange all tables/chairs, take out the trash, clean up and turn off the lights after every meeting in the DMP classrooms.**
- 4. It has been one year since MS Office 365 was launched by the Secretariat. Unfortunately, to date, there are still members who have not registered in the program, or if registered, do not use or log in on a regular basis. The community is again asked to comply with what has been instituted as the primary email communication platform for its members. This will address various complaints about emails not being received.**
- 5. For the next two Fridays, a Christmas envelope will be handed out. The community is encouraged to be generous in its contribution to aid in BLD's evangelization and mission works.**
