### DCS Meeting Minutes • April 3, 2017 (via conference call) and April 5, 2017 before WOTL

#### **1. Renovations at DMP**

The following are the planned renovations at DMP:

- Two classrooms on the first floor of the school building for floor replacement - The tentative work schedule is from April 10 to 25. The two rooms are the first room on the right of the main entrance which is used as an office and the other is the classroom across which was used before by the Mark 10 Ministry. This will have no impact on our activities since we are not using these rooms.
- Auditorium floor replacement - The tentative work schedule is from April 24 to May 15. The following activities will be affected:
  - Youth Ministry P & W - The Youths will have a joint worship with the

Singles at Connell Hall.

- Fellowship - We will have no fellowship during the work schedule.

Please note that these are tentative schedules. Information will be disseminated once the schedules are firmed up together with the impact on our community activities.

In addition, the gym will not be used during the renovation in the auditorium due to safety and liability concerns.

## **2. ME # 48 Class Shepherds**

The incoming class shepherds (Carlito & Arlene Claricia) for ME # 48 will be anointed during our Eucharistic Celebration this coming Friday, April 7.

There will be another announcement by the Teaching Ministry after the Eucharistic Celebration on April 7 regarding the Feel The Father's Love (Prodigal Son) Retreat.
