**MEETING MINUTES: MARCH 6 AGENDA**

- I. **Update on Divine Mercy Closure of the Premises and other Matters - As a result of the emergency closure of the Divine Mercy premises, a search for an emergency alternative venue for the Youth LSS was promptly launched by the combined efforts of the DCS and the Youth Ministry. Wholly, by God's grace and through the instrumentality of Fr. Alex Cruz (newly minted DMP Pastor) and the generosity of Fr. Ed Jocson (St. Elizabeth of Hungary Pastor) the Church Basement of St. Elizabeth of Hungary, Linden was made available to BLD-Newark. Last March 3 and 4, the YLSS was successfully completed and accomplished by the Divine Author using Monsignor Schetelick, the youth and youth leaders and auxies as the earthen vessels of His Word and His Infinite Mercy and Healing Love.**

- A. After the DCS's initial Meet and Greet meeting with Fr. Alex Cruz, it was mutually agreed to schedule a lengthier meeting with Fr. Alex to be solely held for the purpose of discussing in more detail the particulars of BLD's continued stay at DMP. A date after the Easter week and Fr. Alex vacation will be mutually set for the second meeting.**
  - B. It was confirmed by Fr. Robert Lamirez, according to the Singles Ministry, that the Singles Ministry Praise will have the continued use of Connell Hall for their weekly (Thursdays) praise practice.**
  - C. For the security of all, the locks on all the doors at DMP's main entrances will be replaced by Fr. Alex Cruz and copies of the key will be given to BLD and such other parties that may be authorized by Fr. Alex only. This is to preclude the access previously enjoyed by unauthorized parties who may have otherwise improperly obtained a copy the old key or keys. BLD access will continue to be available - i.e. the keys will be stored in lockboxes and the ministries will have to obtain the combo codes from the Secretariat Ministry.**

**MEETING MINUTES - MARCH 21 AGENDA:**

- I. For this coming LSS49, the selection of sharers for the LSS talks was lengthily discussed and individual assignments duly prayed upon.**
- II. The Evangelization and Mission initiatives recently manifested at the Our Lady of the Mount Parish in Warren and spearheaded by the OLM Religious Education Office and OLM parishioners and the Youth Ministry were lauded.**

**The OLM in an effort to share the LSS teachings to their 70 young confirmandi have requested the support of the BLD. As a continuing response to the grace of the weekend and at the inspiration of the glowing words of a grateful parish for our Youth, it was agreed that there may be similar requests from this parish and others and therefore an initial discussion was had to formulate new guidelines for similar events.**
